CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Effective Date: March 2019 -Rev. 9/18/2019- Void After: March 2024

Product: Rehabilitation of Existing Pipelines and File No. 9805

Conduits by the Inversion and Curing of a

Resin-Impregnated Tube

Issued To: Nu Flow Technologies 2000 Inc

106 Mcmaster Ave Ajax, ON L1S 2E7

Canada

Identification: Manufacturer's name or trademark, model description of woven or nonwoven

material and associated thermosetting resin, shall bear the UPC®

certification mark.

Characteristics: Materials for the reconstruction of pipeline and conduits (3" to 108") by the

installation of a resin impregnated flexible tube which is inserted into the

existing conduit by use of a hydrostatic head of air pressure. For

replacement of existing sewers only. To be installed in accordance with the

requirements of the manufacturer's installation instructions.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
